OFFICE OF PETITIONS

In re Application of :
Dennis Brian Shea et al. :
Application No. 10/689,806 : **DECISION GRANTING PETITION**
Filed: October 21, 2003 :
Attorney Docket No. 124858/GETS5307.1 :

This is a decision on the petition, filed July 26, 2004, under 37 CFR 1.137(f) which is treated as a petition to revive the above-identified nonprovisional application under the unintentional provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

Petitioner states that the present nonprovisional application is the subject of a foreign or international application filed on June 4, 2004. However, the U.S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The present petition has been found to be in compliance with 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within

45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(I) has been rescinded. A Communication Regarding Recision Of Nonpublication Request and/or Notice of Foreign Filing was mailed July 27, 2004 advising that the projected publication date was scheduled for November 4, 2004.

The petition fee in the amount of \$1330.00 has been charged to deposit account no. 19-1345 per the authorization in the petition.

This matter is referred to Technology Center 3748 for further examination in due course.

Telephone inquiries related to this decision should be directed to the undersigned Petitions Attorney at (571) 272-3212.

A handwritten signature in black ink, reading "Patricia Faison-Ball". The signature is written in a cursive, flowing style with a large initial "P" and a long, sweeping underline.
